**TOWN WARRANT—MARCH 1951**

ARTICLE 1. To hear the report of the Finance Committee and act thereon.

ARTICLE 2. To act on the report of the Town Officers.

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the Public Library, including the Dog Fund.

ARTICLE 4. To choose a Memorial Committee and raise and appropriate a sum of money for same.

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum of money to be expended in the suppressing of the gypsy and brown tail moths, including private work.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money to be used in the cemeteries and for the care of soldiers' and sailors' graves, or act thereon.

ARTICLE 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue for the current financial year, and to issue a note or notes therefor in accordance with the Provisions of Chapter 44 of the General Laws, or act thereon.

ARTICLE 8. To see if the Town will vote to raise and appropriate the following sum of money for highway purposes for 1950, viz: \$3,150.00 for Chapter 81 and \$1,000.00 for Chapter 90, or act thereon.

ARTICLE 9. To see if the Town will vote to fix the Salary and Compensation of all elective officers of the Town as provided by Sec. 108 of Chap. 41 of the General Laws as amended: Moderator, Selectmen, Board of Public Welfare, Treasurer, Tax Collector, Town Clerk, Assessors, Auditor, School Committee, Tree Warden, Highway Surveyor and Constables, and raise and appropriate sums of money for same.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to contract with the Department of Public Works and the County Commissioners of Bristol County for the construction and maintenance of the public highways for the ensuing year, or act thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate sums of money for the following expense accounts, namely: Selectmen, Treasurer, Collector, Town Clerk, Assessors, Auditor, Sealer, Town Hall, Myricks School, or act thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate sums of money for Public Welfare, Old Age Assistance, Aid to Dependent Children, Department of Veterans' Service and Board of Health, or act thereon.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money for the administration account of the Public Relief Program, or act thereon.

ARTICLE 14. To see if the Town will vote under the provisions of Section 4-A of Chapter 41 to authorize certain town Boards to appoint one or more members to other positions and fix the salary for same.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$146.82 for the Pension Fund, the Special Fund for Military Credit, and the Expense Fund for the Fiscal Year 1951 as certified to by the Board of County Commissioners, or act thereon.

ARTICLE 16. To see if the Town will vote to raise and appropriate sums of money for the following Departments, namely: Fire Department including equipment, Dog Officer, Tax Title Expense, Police Department, Road Machinery Account, Election and Registration, Honor Roll, Tree Warden, Town Reports, Incidentals, Town Counsel, Tax Title Expense Account, Interest and Tax Possession Expense Account, Expenses of Finance Committee and the Berkley and Dighton Bridge Expense Account, or act thereon.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$500.00 to the Reserve Account.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$25.00 for the purpose of maintaining during the ensuing year the mosquito control work as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931, or act thereon.

ARTICLE 19. To see if the Town will raise and appropriate a sum of money for compensation insurance for Town Employees, or act thereon.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money for schools including supplies, high school tuition, salary of superintendent, teachers, janitor, transportation of children and repair of buildings or act thereon.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to contract with the Taunton Municipal Lighting Plant to maintain the present street lights and raise and appropriate a sum of money for same, or act thereon.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money for Snow Removal and Sanding for the year 1951, or act thereon.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$1,875.00, the same to be used in conjunction with money allotted by the State and County for the purpose of repairing the Berkley and Dighton Bridge, or act thereon.

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to be used for the Dutch Elm Beetle Control, or act thereon.

ARTICLE 25. To see if the Town will vote to authorize the Treasurer to pay the following School Department bills from the 1951 School Appropriations, viz: the Church Coal Company \$309.08; Manny's Hardware \$18.50, or act thereon.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$128.48 to pay the following unpaid bills of 1950 viz: Massachusetts General Hospital \$90.00, the Berkley General Store \$15.48, Markers for Soldiers' Graves \$17.00 and \$6.00 to the City of Fall River Health Department or act thereon.

ARTICLE 27. To act on any other business that may legally come before the meeting.

ATTEST: Francis F. G. Andrews, *Town Clerk*

## SELECTMEN'S REPORT

We are pleased to be able to report that the Town is in good financial condition, with no outstanding debt. This coming year, it will be necessary to appropriate the sum of \$1,875.00 for repairs to the Berkley-Dighton Bridge. This work will be done under Chapter #90.

Estimated cost of this work is \$25,000.00, of which \$12,500.00 will be provided by the State, \$6,250.00 by the County, and \$4,375.00 by the Town of Dighton. This work should be done at this time in the interest of public safety.

We propose no new highway construction this year as it is our purpose to keep the tax rate down as low as possible, consistent with the best interest of all concerned. At our annual Town Meeting, the full co-operation of all taxpayers is essential if a reduction in the present tax rate is desired.

We are of the opinion that the present tax rate can be reduced, providing the recommendations of the elected officials are accepted. Otherwise, the only alternative will be an increase in valuation. All too often the blame for the tax rate is placed on the shoulders of the elected officials, whereas the blame lies with the taxpayers themselves in ignoring the recommendations of those in a position to know.

At this time, we wish to express our appreciation to all who have co-operated with us in the conduct of the town business.

Respectfully submitted,

ALBERT BINDON

JOHN P. PILLING

HAROLD G. ASHLEY

### **OLD AGE ASSISTANCE**

In submitting my report as Supervisor for the year 1950, the cost of the Public Relief is still on the increase. While there has been no change in the Adjusted Standard Budget, there has been an increase in the case load. Present case load is 44. Our expenditures for the past year have been \$31,539.50, with \$1,936.40 of this amount for medical expenses. There is a balance of \$2,129.96 in the Federal Grant Account.

### **AID TO DEPENDENT CHILDREN**

Total expenditures for this category were \$4,163.14, an increase of \$835.42 over last year.

### **TEMPORARY AID**

Total expenditure for Temporary Aid was \$8,109.76; of this amount \$4,358.99 has been paid to other cities and towns. Hospitalization costs were \$700.00 of the remaining \$3,050.77. \$682.58 has been received from the State and other cities and towns, with \$1,154.08 still due the town.

Total Administration cost was \$1,261.08, an increase over last year of \$82.00.

At this time, I wish to express my appreciation to you as members of the Board, to the Treasurer for his valued assistance and to our very efficient Clerk, Miss Ruth Avery. For your fine co-operation, I express my sincere thanks.

Respectfully submitted,

ALBERT BINDON,

*Supervisor.*

## SUMMARY OF STATE AUDIT REPORT

*Published in accordance with the requirements of section 40, chapter 44, General Laws of Massachusetts.*

Mr. Francis X. Lang, Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Berkley for the period from October 13, 1949, the date of the previous examination, to November 4, 1950, the following report being submitted thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town or committing bills for collection were examined and checked.

The accounting officer's ledgers were analyzed. The appropriations and transfers were compared with the town clerk's record of financial votes passed in town meetings and with the finance committee's records of transfers from the reserve fund, and a balance sheet, showing the financial condition of the town on November 4, 1950, was prepared and is appended to this report.

The books and accounts of the treasurer were examined and checked. The recorded receipts were analyzed and compared with the various sources from which money was paid into the town treasury, while the disbursements were compared with the accounting officer's books and with the treasury warrants approved by the selectmen.

The treasurer's cash balance on November 4, 1950 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements received from the banks in which town funds are deposited.

The savings bank books and securities representing the investment of the trust and investment funds in the custody of the town treasurer were examined and listed. The income was proved and the transfers to the town were verified.

The tax titles and tax possessions held by the town were examined and listed. The amounts transferred from the tax levies of 1948 and 1949 to the tax title account were reconciled

with the collector's accounts, the foreclosures were verified, and the redemptions of tax titles and sales of tax possessions were compared with the treasurer's receipts. The tax titles and tax possessions were further verified by checking with the records in the Registry of Deeds.

The books and accounts of the collector of taxes were examined and checked. The tax, motor vehicle and trailer excise, and assessment accounts outstanding according to the previous examination and all subsequent commitments were audited and compared with the warrants issued for their collection. The recorded collections were checked and compared with the payments to the treasurer, the abatements were checked with the assessors' records of abatements granted, and the outstanding accounts were listed and proved with the accounting officer's ledger.

Verification of the outstanding accounts was made by sending notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

It is recommended that action be taken at once to secure prompt settlement of the delinquent taxes and motor vehicle and trailer excise of prior years.

It was noted that the real estate taxes of 1948 were committed to the collector as of December 24, 1948, that the taxes of 1949 were committed December 7, 1949, and that the taxes of 1950 were not yet committed as of November 17, 1950, the date of the completion of this audit, although the tax rate for 1950 was declared on July 24, 1950.

Attention is called to Section 53, Chapter 59, General Laws, which requires that the assessors shall, within a reasonable time, commit the tax list with the warrant to the collector of taxes; and to Section 57, Chapter 59, General Laws, which requires that bills for property taxes shall be sent out not later than June 14th of each year. The dilatory efforts of the assessors handicap the collector in the prompt settlement of the tax levies committed to him for collection and make it necessary for the town treasurer to borrow money in anticipation of revenue in larger amounts and for longer terms due to the resultant delay in the collection of taxes.

The records of departmental accounts receivable were examined. The recorded collections were checked, the pay-

ments to the treasurer were verified, and the outstanding accounts were listed and proved.

Attention is called to the uncollected slaughtering fees which date back to 1946. It is recommended that a determined effort be made to bring about a settlement of these outstanding accounts.

The financial records of the town clerk were examined and checked. The records of dog and sporting licenses were checked and the payments to the town treasurer and to the State were verified.

The surety bonds of the town officials required by law to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The financial records of the selectmen and the sealer of weights and measures, as well as of the police, school, and library departments, were checked in detail. The payments to the treasurer were verified and the cash on hand was proved by actual count.

In addition to the balance sheet referred to, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax, motor vehicle and trailer excise, assessment, tax title, tax possession, and departmental accounts, as well as tables showing the condition and transactions of the trust and investment funds. While engaged in making the audit co-operation was received from the town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

(Signed) HERMAN B. DINE  
*Asst. Director of Accounts*

Attest: Francis F. G. Andrews, *Town Clerk.*

## TOWN MEETINGS HELD IN 1950

The following seven town meetings were held in 1950: the annual town meeting March 6, the annual town election March 13, a special town meeting March 25, a special town meeting April 17, the biennial state primary September 19, the biennial state election November 7, and a special town meeting December 27. Records of these meetings are public records, always open to inspection at reasonable hours.

On file at the town clerk's office have been placed in 1950, among the usual papers, a notice of the contamination of the waters of Taunton River and the prohibition of the taking of shellfish therefrom; and a preliminary announcement of the population of Berkley according to the census of April 1, 1950, 1,285.

---

## REGISTRARS OF VOTERS

The new appointed Board of Registrars of Voters functioned during 1950, with a membership composed of Richard W. Pilling, Chairman; Marion I. Needham, Joseph D. Rose, and the town clerk. 407 women and 411 men were listed as residents January 1, 1950 in the listing of persons 20 years of age and over, for a total of 818. The voting list as prepared for the 1951 town election contains a total of 710 names. Regular monthly meetings of the Board were held in 1950 with several special meetings for registration, certifications, etc.

Respectfully submitted,

FRANCIS F. G. ANDREWS,

*Town Clerk.*

### COMMENT

The good faith of the great majority of the taxpayers of Berkley is evidenced by the collection of over \$15,000 of 1950 real estate taxes in the interval between the date they were sent, December 11, and the end of the year, which period includes the Christmas season; and this despite the tremendous increase in the amounts of the tax bills. And this figure includes very few Myricks taxes, as the visit to that locality for collection was not made until after the close of the year. To all these good people may I take this means of expressing my appreciation in behalf of the town.

However, the amounts of outstanding taxes continue to grow, and I find it has become necessary to enforce more strictly the payment of these old amounts. During the coming year all levies through 1949 will be closed out, and I intend to take all possible steps to accomplish this end. This notice should be sufficient to all owing old taxes to see that they are paid before stern measures are taken. Some of these proposed enforced collections are already in progress; the costs of all these steps are paid by the persons affected.

Respectfully submitted,

FRANCIS F. G. ANDREWS,

*Collector of Taxes.*

## REPORT OF CHIEF OF POLICE

Dec. 31, 1950

To the Board of Selectmen  
Town of Berkley

Gentlemen:

As your Chief of Police I submit the following report for the year of 1950.

### Arrests for Crime in Berkley

#### *Crimes against Persons*

Kidnapping	1
------------	---

#### *Crimes against Property*

Breaking and Entering (intent to commit Larceny)	2
Larceny (under \$100)	1
Malicious Destruction of Property	2
Receiving Stolen Property	1

#### *Crimes against Public Order, etc.*

Driving a Motor Vehicle to endanger life	1
Driving a Motor Vehicle while intoxicated	1
Drunkenness	6
Operating after suspension of license	1
Non-support	1
Insane Persons	2
Weapon Carrying	1
Setting fire in the open without a permit	1

### Summoned to Court

No Inspection Sticker	9
Operating to Endanger	1
Operating after suspension of license	1
Operating unregistered car	1
Attaching improper plates on Motor Vehicle	1

### Other Activities

Auto Accidents (with injuries)	9
Auto Accidents (property damage)	15

---

Breaks and Thefts reported and investigated	6
Misc. Complaints reported and investigated	42
Car transfers recorded	180
Tickets given for defective equipment	87
Pistol Permits issued	19
Summons served	3
Dogs killed by Autos	4
Plates picked up for the Registry	1
Persons reported Missing	5
Recommended suspension of license	7

We have assisted Mr. Tinkham of the Registry on Periodic Inspection checkups. We patrolled the Town on the Fourth of July, Labor Day, Halloween, and New Year's. During Dog Racing period, Police Officers directed traffic at various intersections for a period of 100 days.

The Berkley Police Association has purchased red reflecting signals to be placed at various intersections.

We have increased our equipment by purchasing reflectorized traffic belts, tear gas shells, police axe, target pistol, and additional lanterns and flares.

I have taken great pleasure in serving you as Chief of Police and I hope that I have been worthy of my appointment. I thank you and the Police Officers for your excellent cooperation in carrying out the work of the department.

Respectfully submitted,

HAROLD G. ASHLEY,

*Chief of Police.*

In 1950, on Dec. 30, the sum of \$3,000.00 was received from the estate of James D. Dillingham, to establish a fund for the care of the Dillingham and James Dean plots in the Dean cemetery in Assonet Neck.

Most of the towns of the Commonwealth have trust funds that have been left by former citizens for various purposes; Berkley has but few. Outside the small perpetual care funds, there are only the Leach, Allen, and now the Dillingham funds.

Public spirited citizens are urged to make provisions in their wills for trusts to be established in their memory. Such funds might be established, for example, for library purposes, for care of the Common, for a school playground, or for any of a number of worthy purposes.

Respectfully submitted,  
FRANCIS F. G. ANDREWS  
Treasurer.

ANNUAL REPORT  
OF THE  
School Committee  
OF THE  
TOWN OF  
BERKLEY

For the Year Ending December 31, 1950

## **SCHOOL COMMITTEE**

	<i>Term Expires</i>
Gil A. Bettencourt, Chairman Berkley, Mass.	1951
Mrs. Jessie A. Colpitt, Secretary Berkley, Mass.	1952
Mrs. Ruth O. Babbitt Berkley, Mass.	1953

### **Superintendent**

John J. Rolfe, B.Ed., M.Ed.

Residence: 117 School Street, North Dighton

Office: Dighton High School, Segreganset

Telephone: Dighton 3361 (Office)  
Taunton 2-0698 (Home)

### **Office Hours:**

Monday through Friday, 8:30 a. m. to 9:30 a. m.  
and by appointment

### **Secretary**

Gladys P. Babbitt

### **School Physician**

Charles M. Souza, M.D.  
Dighton

### **School Nurse**

Ella Dillingham, R.N.  
Berkley

### **Attendance Officer**

Russell E. Combs  
Berkley

## GENERAL INFORMATION

### Birth Certificates

Presentation of a birth certificate is required for entrance to first grade.

### Vaccination

Every child who enters school for the first time must present a certificate of vaccination or a statement from his physician that vaccination is inadvisable.

### No School Information

When weather conditions are such that our buses are unable to run, a no school notice will be broadcast over Radio Station WSAR, Fall River, and over Radio Station WPEP, Taunton. Parents are urged to use their own good judgment about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

### Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

### Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

## **REPORT OF THE SUPERINTENDENT OF SCHOOLS**

To the Citizens of the Town of Berkley:

It is my pleasurable duty to submit herewith my eighth annual report as Superintendent of Schools for the Town of Berkley. This report together with those of the School Nurse and the Supervisor of Music aims to set forth only that information that will be of interest to the general public. No attempt will be made to discuss educational philosophies or procedures. Incorporated herein is the report of the Berkley School Committee.

### **Financial**

This year the Town received in reimbursements from the State on account of schools the sum of \$14,829.80, which was \$236.63 more than was received in 1949. Our budget as drawn up for 1951 is \$2,787.00 in excess of that for 1949. The bulk of this increase is necessary because of an increase in the transportation account and in the teachers' salary item.

A transportation bid of \$9,000.00 per year was accepted by the School Committee for each of the school years from September 1950 to June 1953. This is \$1,000.00 more per year than our old contract called for. The necessity of double sessions in the first grade requires extra transportation and additional expense. However, the entire increase is reimburseable by the State.

Our increased school enrollment makes it necessary to secure the services of another teacher for next September. A budget addition of \$960.00 will be required to provide for this service from September to December. Although there is a gross increase of \$2,787.00 in the budget, additional State revenues in the amount of \$3,600.42 reduce the net cost to \$813.42 less than last year. As the number of pupils in the Town between the ages of seven and sixteen increases the Town receives more aid under the provisions of Chapter 70 of the General Laws.

### **Enrollment**

For several years the enrollment at the Berkley School has been at a point that would allow for very little increase. This year an abnormally large first grade of 44 pupils registered.

Feeling that this number was much too large for adequate teaching, the School Committee had no choice except to have part of the group attend in the morning and part in the afternoon. The lack of any means of heating the room next to Mrs. Unsworth's classroom makes the use of this space unsuitable for any activities during the winter. The lack of any heat in the halls and basements rules out any possibility of utilizing these areas for any type of instruction.

In December with the assistance of the Selectmen, the School Committee took a census of all pre-school children. This survey shows that unless more classroom space can be made available, our first grade and half of our second grade will be able to have classes for only one half of each day next year. For the next few years after that the situation will become even more serious. Without taking into consideration any rise in the number of pupils on account of normal retardation or of any increase in school population caused by people moving into Town, we can expect the following total enrollments for the next six years:

1951 .....	197	1954 .....	224
1952 .....	197	1955 .....	216
1953 .....	206	1956 .....	215

The situation is made even more serious when you consider that we operate on a two grade to the room basis. Should nothing be done toward solving the problem there will be three grades in one of the rooms next year in addition to the above mentioned single session for the first grade and for part of the second.

There are at least two acceptable solutions that will meet our needs. The installation of a much needed central heating system will not only improve the heating and ventilating of all classrooms, but also will make the unheated room available for teaching purposes. Although this solution will take care of our present needs, the necessity of future expansion will not be met. The installation of a central heating system in conjunction with the building of an all purpose room will meet all needs for the foreseeable future. This addition would be used for auditorium, gymnasium, cafeteria purposes as well as for all town functions including town meetings. The inclusion of town offices in the basement would be a vast improvement over the present town hall facilities.

Fifty per cent of the cost of constructing and equipping an addition would be paid by the State. The heating and ventilating expenditure reimbursement would apply only to the new part of the building. No reimbursement can be expected for a heating system that is installed for the present structure only.

Mr. John Marshall of the Massachusetts School Building Assistance Commission visited the Berkley School on January 30, and made certain recommendations relating to an addition to the present school. He likewise remarked about the limited play area and suggested that expansion of the site to the rear would be desirable in order to provide a site of at least five acres.

### **Personnel**

Mrs. Marcine Weiner was elected by the School Committee to replace Mrs. Florence Brown as teacher of grades three and four. We are most fortunate to have the rest of the teaching force remain intact in these times when good replacements are difficult to find.

As the elementary teacher shortage becomes more critical many school systems are finding it necessary to employ in the elementary grades men and women who were trained for secondary school teaching. The Berkley School Committee hopes to be able to continue to fill vacancies with those whose education and training specifically fits them for the job.

### **Repairs and Improvements**

The policy that was adopted a year ago relative to using sealer and wax on the floors of the classrooms and halls was continued and has considerably improved the general appearance of these areas. The sanding and refinishing of the desks in grades 5, 6, 7, and 8 has helped to brighten up these rooms. This work will be continued until all of the desks have been reconditioned. One classroom, several ceilings, and both toilet rooms were repainted in addition to miscellaneous areas on exterior and interior sash and trim.

The end portion of the west hallway was partitioned off for health room use. This much needed space insures privacy for sick pupils and for conferences and examinations with the school nurse and school doctor. The space is also used for the keeping of records and for the general office needs of Mrs. Dillingham.

With the limited play area available, the Committee voted to remove certain trees at the rear of the school and to grade around the building wherever needed. When the work has been finally completed, basketball backstops will be erected in the area where the trees were removed.

After the expenditure of considerable money the attempt to secure an adequate water supply from a drilled well was abandoned. After the halting of drilling operations at the two hundred foot level because of technical difficulties, an attempt was made to strike an adequate supply at the west end of the building. The operation was suspended at about the five hundred fifty foot level after encountering cave-in problems and a water flow of only one and one half gallons per minute. During the early part of the year we had to close school for a half day on a number of occasions because of lack of water. We hope that the problem may be solved this year.

### **General**

The purchase of a vacuum cleaner helps immeasurably in enabling the custodian to keep the building clean.

A steel filing cabinet was purchased for the newly provided health room. Because of the lack of heat in this room an electric heater had to be purchased.

The blacktop area in front of the school proved to be such an improvement that the Committee hoped to have enough money left this year to be able to continue with the work. However, the necessary funds were not available. Continuance of playground improvement will be one of the important projects to receive serious attention during 1951.

This year the lowest bid for furnishing coal was submitted by the Church Coal Company of Taunton. This low bid of \$18.86 per ton for anthracite coal includes the cleaning of the furnaces.

### **Conclusion**

It is gratifying to note that there is a definite increase in interest in the Berkley School on the part of townspeople without children in school as well as on the part of those who are parents of pupils who now are in attendance. Schools should be of vital interest to all the citizens of a town and should be

enthusiastically supported. Your school will be as good as you help us make it.

From time to time we receive many questions from parents regarding our school. It is impossible to cover all phases of the educational system each year. Therefore, I believe that parents should review from time to time the reports that have been made in recent years.

The School Committee, the Superintendent and the teachers are grateful to the townspeople for their interest in their school and for their continued support. Constructive criticisms and suggestions as well as requests for information are welcome at all times.

Respectfully submitted,

JOHN J. ROLFE,  
*Superintendent of Schools*

## REPORT OF THE SCHOOL NURSE

Mr. John J. Rolfe  
Superintendent of Schools  
Berkley, Massachusetts

Dear Sir:

I take pleasure in submitting my annual report on the work done in the School Health Program in the Berkley Grammar School.

The school attendance for the year has been good, except in the early Spring when we had an epidemic of measles with twenty-seven pupils contracting the disease. Parents can help during an epidemic and are urged to recognize the signs and symptoms of communicable diseases and the need for protecting others.

The annual physical examination was given to all pupils by Dr. Charles M. Souza. No unusual defects were noted. Bad teeth and enlarged glands were the outstanding defects.

The Pure Tone Hearing Test was given to one hundred twenty-six pupils with the result of only four partial failures. These pupils had colds at the time of testing and will be checked again at the next test.

The Massachusetts Vision Test was given in October. Ten pupils failed the test. Eight of these pupils consulted an optometrist. One pupil needed glasses, and the other seven are to return in six months to be re-examined.

At the Toxoid Clinic nineteen pupils had the treatment to prevent diphtheria, and thirty-nine were given a booster dose of diphtheria toxoid.

The pre-school clinic was held in May with thirty-four children attending. The following state workers assisted at the clinic: Mrs. Margaret Sanborn, nutritionist, and Mrs. Bernardine Tassinari, dental hygienist. A physical examination and vaccination was given by Dr. Charles M. Souza. Parents were present and any physical or nutritional defects were discussed and the proper treatment advised. Also assisting at the clinic were Mrs. Stanley Arnold, Mrs. Frank Carroll, Mrs. Norman McDonald and Mrs. Elmer Reiser. It would have been impossible to manage the clinic without assistance, and I appreciate the help and interest of these individuals.

The Woman's Club is doing a fine job with the dental clinic. The committee consists of Mrs. Roger Chester, Chairman; Mrs. Frank Carroll, Mrs. Norman McDonald, Mrs. Alfred Howland and Mrs. John Dillingham. Others who have transported pupils to the dentist's office are Mrs. Clarence Trenouth, Mrs. Stanley Arnold and Mrs. Edward Roman. To raise money the committee had a minstrel show in the Spring, and a fair and rummage sale on the Fourth of July. We are truly grateful for any help we can get to raise money.

At present pupils in the first grade are having dental work done. Twenty pupils have attended the clinic since October 7th, with a total of seventy-four operations being completed. The committee plans to work up from the first grade to the eighth grade. Eventually all who wish will have had dental care.

I appreciate the continual help and interest of the teachers and parents, and I am looking forward to a good year in the School Health Program.

Respectfully submitted,

ELLA F. DILLINGHAM, R.N.,

*Public Health Nurse*

## REPORT OF THE MUSIC SUPERVISOR

Mr. John J. Rolfe  
Superintendent of Schools  
Berkley, Massachusetts

Dear Mr. Rolfe:

Last year when I wrote my report, I stated that it was to be hoped that a record library could be built up. Such a beginning has been made with the cooperation of the school committee. The classes give intelligent and undivided attention during these "listening activities", which I believe is due in part to the fact that there are now pre-tested and age-grouped records available.

During the month of March each grade from the fourth through the eighth concentrated on instrumental rather than vocal music. Bulletin boards in each class were devoted to this. Records dealing with instrumental music were used. Some instruments were played or demonstrated to each class. This year it is my intention to continue enlarging the children's scope of instrumental music. By using the projector and equipment already owned by the school this program may be further enlarged by audio-visual demonstrations. There are a number of films available.

In June, the first school orchestra played at graduation. There were sixteen members in the orchestra. As the time for instruction and rehearsal is very limited, the children deserve a great deal of credit.

In September the instrumental lessons were begun again, but as we had lost some members at graduation, and new pupils have just started on lessons, the orchestra rehearsals were not called until January.

As the music books in the second and third grades needed to be replaced, newly published ones were bought. Both children and teachers seem to be delighted with them.

The school committee has been most cooperative in every way, and this has added to the many reasons I enjoy teaching in Berkley.

Respectfully submitted,

MARJORIE E. HAYWARD,

*Supervisor of Music*
